Our small groups, split by gender and grade, meet throughout the week at various locations, offering a place for meaningful discussions with a smaller group of people you are closer to and more familiar with. We believe it is very beneficial to have smaller group sizes for better and more comfortable interaction. For this reason, our small groups average about 9 to 15 members. If you have a desire to join with other Christians your age and grow in your walk with God, then small group is the place to go. Small groups sometimes hold special events so be sure to call the main adult leader (in bold) to get the details before you visit. We encourage you to check out more than one group before deciding which to join.
