Here at Foothills our High School small groups, are split by gender and grade! Small groups meet throughout the week at various locations, offering a place for meaningful discussions with a smaller group of people. We believe it is very beneficial to have a smaller group size for better and more comfortable interaction. If you have a desire to join with other Christians your age and grow in your walk with God, then small group is the place to go! Small groups sometimes hold special events such as going to the beach, hiking, baking, game nights, going out to eat, and so much more! Make sure to call the main adult leader (in bold) to get the details before you visit the group. Please give us a call at 619-442-1467 if you have any questions!

Small group gives me a bigger motivation to want to follow Jesus, and want to learn more about Him.
-Victoria

I love that I get to spend time with other girls who love the Lord. I love the leaders who were placed in my life, and the community I'm involved in.
-Katie

My favorite thing about group is how we are all kind of like a little family! We also learn about God in a fun environment.
-Hope

I love when we pray before groups, when we have guest speakers and when we do ministry time!

I go because I can talk about anything without being judged. I have friends that go to small group with me which grows or fellowship and relationship with God.
- Caleb

I go to group because I feel loved and welcomed. My group is my family, and they help me grow in my walk with the Lord. Being a small group leader has helped me to grow in my abilities to lead.
-Bryce

I love that group lets you connect and hangout with a group of guys on a smaller scale. It allows you to really get to know everyone and become close friends.
-Daniel

I love going to group because I get to spend time learning about God with my friends.
- Jordan

The main reason I go is because of the fellowship.
